San Antonio, TX 78219

Dear My Favorite Merry Maids:

I have loved having you visit my house monthly but I need to end this luxury. I will be retiring in a year or so and thought I should begin now planning for it.

Angelica and Theresa have been awesome and I won't be able to do the job they have done, but I will try.

Thank you for awesome service these past few years. I have truly loved the service you provided. You will be missed.

Sincerely

A handwritten signature in cursive script that reads "Glenda Curtis". The signature is written in black ink and is positioned below the word "Sincerely".
